## VISION

To carve the youth as dynamic, competent, valued and knowledgeable Technocrats through research, innovation and entrepreneurial development for accomplishing the global expectations.

## MISSION

**M1:** To Inculcate academic excellence in engineering education to create talented professionals.

**M2:** To Promote research in basic sciences and applied engineering among faculty and students to fulfill the societal expectations.

**M3:** To enhance the holistic development of the students through meaningful interaction with industry and academia.

**M4:** To foster the students on par with sustainable development goals thereby contributing to the process of nation building.

**M5:** To nurture and retain conducive lifelong learning environment towards professional excellence.

## FACULTY ACHIEVEMENTS

We are delighted to share that

Mr. S. Manimaran, Mrs. Selsidevi faculty member of SRM TRP Engineering College, has successfully completed the Space Science and Technology Awareness Training (START) Programme conducted by the Indian Institute of Remote Sensing (IIRS), ISRO.

This prestigious online training program, held from January 9, 2025, to January 29, 2025, covered essential topics in Space Science and Technology with a total duration of 19 hours and 30 minutes. His dedication to continuous learning and professional development is truly commendable.

We congratulate Mr. S. Manimaran on this remarkable achievement and appreciate his efforts in advancing knowledge in space science and technology!

We are proud to announce that Mr. S. Manimaran, faculty member of SRM TRP Engineering College, has successfully coordinated the Space Science and Technology Awareness Training (START) Programme conducted by the Indian Institute of Remote Sensing (IIRS), ISRO. This prestigious online training program was held from January 9, 2025, to January 29, 2025.

His dedication and efforts in facilitating this program have significantly contributed to enhancing knowledge in the field of space science and technology among students. We extend our heartfelt congratulations to him for this remarkable achievement!
